Fields Corporation (Head office: Shibuya-ku, Tokyo; President and COO: Takashi Oya) announces the nationwide release of a new pachislot machine "Aim for the Ace!," under the Gold Olympia Brand from Olympia Co., Ltd.

This new machine employs content from the popular comic series Aim for the Ace! by Sumika Yamamoto, which appeared in the comic book *Shukan Margaret* between 1973 and 1980. As a series, Aim for the Ace! garnered great popularity for its portrayal of young people who develop themselves by overcoming difficulties in the pursuit of their goal of becoming top tennis players. It has been remade for TV as a cartoon as well as a dramatical series, and continues to be adapted in various ways this day.

Faithfully recreating the famous scenes that the series is known for, the new machine manages to fuse content and gameplay by including a vast array of different scenes filled with a sense of speed. The visual aspects, which offer a variety of character actions, allow players to fully enjoy the world of Aim for the Ace! as well as its rich storyline.

Offering players passion and excitement, the machine is not only for pachislot enthusiasts, but a wide range of people, including comic book fans.

The Aim for the Ace! pachislot machine is scheduled for delivery in April 2009 to pachinko halls throughout Japan.
